To Whom it May Concern:

Michael Hingson presented at our 46th Annual Membership Conference. He was a thought provoking and thoughtful keynote speaker. Very inspiring and uplifting!

Hi overall attitude and demeanor were delightful. Conference attendees really enjoyed his personality, jokes, and overall message of Teamwork and Trust. He was a big win for our conference.

Michael is a dynamic speaker with a story everyone should hear.

We highly recommend Michael to anyone who is looking for a Keynote speaker.
