To Whom It May Concern:

I am writing to acknowledge Michael Hingson's work at the National Head Start Association's National Conference in May of 2023 in Phoenix, Arizona. Mr. Hingson presented to an audience of about 3,000. The audience included teachers, staff and leadership from Early Head Start and Head Start programs from across the country. Mr. Hingson addressed the audience in an engaging and meaningful way, capturing their attention and their hearts.

Referring to his experience navigating the world in his unique way, Mr. Hingson was able to address topics like trust, leadership and perseverance. His presentation was both entertaining and thought provoking.

I highly recommend Michael Hingson for your upcoming event.
